TELEPHONE DIRECTORY

GENERAL INFORMATION

APPLICATIONS FOR TELEPHONE SERVICE

Applications for service, rates, changes in service, directory listings, directory advertising or other information, may be made by telephone, by mail, or in person to the Company's Business Office.

ACCOUNTS FOR SERVICE

Accounts are rendered monthly and are payable when rendered. Each subscriber's account contains charges for exchange service for one month in advance from date of the account and charges for Long Distance calls up to the twentieth of the preceding month. For the convenience of our subscribers these accounts may be paid at any of the branch banks of the Royal Bank of Canada.

SERVICE DIFFICULTIES

Our aim is to render service that will be satisfactory to our customer. We realize that difficulties will occur despite all our efforts to avoid them. If at any time difficulties are not promptly corrected or unsatisfactory conditions persist, we will appreciate your communicating the facts to the Manager.

IDENTIFICATION OF EMPLOYEES

All employees of the Company whose duties require them to enter the premises of subscribers or others, are required to wear a badge similar to the accompanying illustration or to produce a card of identification from the Manager. Any person claiming to be an employee of the Company who is without this card or badge should be refused admission, and the Manager be notified at once by telephone.

INTERFERENCE WITH APPARATUS

A Subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any telephone apparatus leased from this Company, or make attachments thereto.

SUBSCRIBERS' USE OF LINES

The right of the Subscriber is to use the instruments and connecting lines (except public telephones) where the Company may place them, under such rules as the Company may from time to time prescribe. He shall not extend their use to other individuals, except his servants upon his business; nor shall they be used for any tolls or consideration to be paid by any person other than the Subscriber; nor does this confer on him the right to use the instrument of another Subscriber.

DIRECTORIES

The Company assumes no liability whatever for damages occurring from errors or omissions in the making up and printing of this book. Subscribers are, however, requested to promptly report to the Business Office, by telephone or in writing, any error which may appear in this issue so that it may be corrected in the next issue.

This Directory is the property of the Company. It is printed for the exclusive use of the Company's patrons and is loaned to its Subscribers. All persons are cautioned against reproducing its contents.

RURAL PARTY LINE INSTRUCTIONS

Always listen before ringing, to ascertain if the line is in use and thus avoid interrupting a conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory. Then ring, being careful to make the signal distinct. The signal to give is indicated by the number following the letter "r". The first figure following the letter "r" represents the number of long rings, and the second figure, the number of short rings. For example, to call r-24, give two long followed by four short rings. Do not press the push-button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press push-button while ringing.

When conversation is finished, replace receiver and give one quick ring-off. Do not press push-button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

PUBLIC NOTICE

This Company's tariffs are open to public inspection. The Exchange Tariff may be seen on application to the Manager at the Company's Central Office. Long Distance Toll Tariffs may be seen on application at the Head Office of the Company, in the city of Montreal, Que., or to the Company's Manager at the toll centre of any locality, the name of which toll centre will be furnished by the Manager of the Local Exchange.

The following are the toll centres in the district covered by this directory—

Did you know this?

LONG DISTANCE CALLS ARE CLASSIFIED IN A SIMPLE MANNER, ACCORDING TO THE TYPE OF SERVICE

These are the classifications:

Station-to-Station Calls — You ask the Long Distance operator for the distant telephone by number — for example, "Auburn 687." If you do not know the number you tell her you will speak to anyone at the distant telephone, giving the name and the address under which it is listed.

Person-to-Person Calls — This is a call on which the calling party wishes to speak to a particular person or department. When such a call is desired, give the Long Distance operator the name of the particular person required, and tell her the number, if you know it, or the name and address under which it is listed. The operator will inform you when she has the desired party on the line ready to talk, or in the event that the connection with the particular person cannot be established in a reasonable time, will give you a report on the call. Repeated attempts will be made by the operator to complete the call. The operator may ascertain that although the desired person cannot be reached an alternate party is available and if you decide to speak to this party, the call will be completed at the same rate.

On a Person-to-Person Call which is not completed, but on which a report is given to the calling party within a specified time limit, a small charge known as a Report Charge is made to compensate for the circuit-time involved. No report charge is made on a call which cannot be completed on the same day as it is filed on account of the called party not being available but which is carried forward to the following day at the calling party's request and is completed on that day.

Collect Calls — A Collect Call is one on which the charges are made collect. When you wish a call charged in this manner, request the operator, after giving her the details of the call, to make the charges collect. If the charge is accepted by the called party the cost of the conversation will be billed against his telephone. Collect calls are charged for at not less than the Person-to-Person rate.

Appointment Calls — An Appointment Call is a Person-to-Person call on which you wish communication established at a *specified time.*

Messenger Calls — A Messenger Call is a Person-to-Person call involving paid messenger service, or requiring the use of a telephone not connected with the Bell System to bring a called party to a Bell Telephone.

REFER TO THIS WHEN PLACING CALLS

It will save you time, trouble and expense

You can expedite your service by giving the operator the number of the distant telephone.

"CRAFTSMEN IN KEEPING THINGS NEW"

The Cleaning and Dyeing Skill

Of this remarkably Successful Plant now

Brought Right to Your Very Door

LANGLEY'S in Toronto has grown in a few years from nothing to the largest cleaning and dyeing plant in Canada. Why? Because Langley's have introduced a higher standard of craftsmanship—a more modern and expert type of service—a more *complete* service. Over fifty thousand homes are today Langley customers. In Toronto itself, one out of every three homes has turned to Langley's for cleaning, dyeing, repairs, alterations, pressing, etc. Now, with a larger plant, we can serve more and more customers.

WHY YOU SHOULD USE LANGLEY SERVICE

Personal Attention

Our Mail Order Department is capably managed and is organized to give your order individual attention. The fact that the number of our mail order customers increased 180 per cent. last year indicates the satisfaction we give.

City Prices—No Extra Charge

We do not have one price list for the City and another for the rest of the Province. Our Mail Order customers pay not one cent more than our city friends.

We Pay Return Shipping Charges

Simply send your parcel to Mr. Geo. S. Langley and write a letter saying what you have sent and what you want done. The goods will be returned to you promptly and the return shipping charges will be prepaid by us.

Our City Customers on vacation will find our Mail Order Service as satisfactory as our city delivery.

New Patented Shipping Container

of our own design used to return garments, curtains, draperies, etc. Goods reach you creaseless—just as fresh and beautiful in finish as if delivered personally by our drivers in the City.

Homes All Over Ontario are Enthusiastic In Praise of Our Work

WE receive hundreds of letters of commendation every year. No wonder—there is no place in Canada using such fine equipment for cleaning. In Mr. W. J. Fontaine, our dyeing superintendent, we have Canada's premier authority on special dyeing. And then again our service is so broad—from fine oriental rugs to curtains, from portieres to wilton carpets, from cleaning and storing fur coats to dyeing the most delicate of evening gowns, from cleaning blankets to fine embroidered linens, from cleaning and reblocking hats to cleaning gloves. Test this service once and you'll use it often.

free!

Send for booklet describing the many things we can clean or dye, and giving prices.

DIRECT Toll Service in the area served by this directory has been greatly extended. It now includes all the points shown at the left.

On this type of service, it is not necessary to ask for Long Distance. Just give the number to your own operator as on a local call and hold the line while connection is established.

Direct Toll Service is available only on calls on which you ask for a number rather than for any particular person. For example, to call someone in Harriston from Arthur say to the operator "Harriston 67" or whatever the number may be.

If you wish to speak to a particular person, ask for "Long Distance" and give her the details of the call in the regular way.

The more you use it the more you will value it.

The recognized source of information to which, by common consent, the community turns.

A Famous Educator

A famous educator said that 15 minutes a day devoted to the intelligent reading of certain books would give a man the equivalent of a liberal education.

The habit of studying the Telephone Directory frequently, and intelligently, should be part of every business man's education. His market is constantly widening, changing.

About 40,000 new names are added in Quebec and Ontario every six months, and the classified pages afford him the quickest answer to such questions as "Who will do it best?" and "Where can I buy it?"
